PLEASE NOTE:
4 color process insole requires
a minimum resolution of 150 dpi
and the dimensions of 13"x19" (Super B)

Optional Logo Sole

The logo on the outsole is a mirror image so the impression in the sand will read correctly.

Many logos require modification, depending on various details, as this process has some limitations.
- Some details may be too small to cut out and may have to be eliminated.

MAXIMUM STRAP ART AREA
